Plan Your Visit

Welcome to Zion National Park. Steep cliffs, narrow canyons, and unpredictable weather add to the challenge and adventure of a visit. It is important to plan carefully for your stay. Park rangers at the visitor centers can provide planning information and weather forecasts, but your safety depends on your own good judgment, adequate preparation, and constant awareness.

SOCIAL MEDIA

Zion National Park is constantly searching for new ways to connect with our visitors. Social media websites, like Twitter and Flickr provide the park with an opportunity to share information and create a place for visitors to learn about Zion National Park. These sites encourage interaction and enable our visitors to experience the park in an entirely new way.

TWITTER

twitter.com/zionnps

Twitter is a real-time information network that connects you to the latest information about the park. Sign up to follow @ZionNPS on Twitter to receive breaking news, severe weather warnings, closure updates, special event announcements, and other information.

FLICKR

www.flickr.com/photos/zionnps

Flickr is a photo sharing website that provides a place for the park and our visitors to post images and videos. Visit ZionNPS on Flickr to view recent photos and learn more about the plants, animals, and places that make Zion so special.

Services

ACCESSIBILITY

The park visitor centers, museum, restrooms, shuttle buses, picnic areas, and Zion Lodge are accessible. Several campsites are reserved for people with disabilities, and the Pa'rus Trail and Riverside Walk offer accessible hikes. Service dogs are permitted on a leash throughout the park.

The orientation film offers captioning and the frontcountry trails video has an audio description. Accessible programs are indicated in the Ranger-led Program Schedule. Assistive listening devices are available by reservation for all ranger-led programs. Please visit the Zion Human History Museum for more information.

LODGING

In the park, the Zion Lodge has rooms, suites, cabins, and a gift shop. For reservations, please call 888 297-2757 or 435 772-7700, or visit www.zionlodge.com. There are other lodging options in Springdale, Rockville, Hurricane, near the East Entrance, Mt. Carmel Junction, Kanab,

St. George, Cedar City, and other surrounding communities.

RESTAURANTS

In the park, the Zion Lodge dining room and café serve breakfast, lunch, and dinner. Dinner reservations are required; please call 435 772-7760. There are also restaurants in Springdale, Virgin, La Verkin, Hurricane, near the East Entrance, Mt. Carmel Junction, Kanab, St. George, Cedar City, and other surrounding communities.

GROCERIES

There are grocery stores in Springdale, La Verkin, Hurricane, Kanab, St. George, and Cedar City. There are convenience stores in most surrounding communities.

MONEY

An ATM is located in the park at the Zion Lodge. Banks and ATMs are located in most surrounding communities.

SHOWERS

There are no showers available within Zion National Park. Pay showers are available in Springdale and east of the park. The availability of these services varies throughout the year.

LAUNDRY

There are laundry facilities located in Springdale, Hurricane, and Kanab. There are no laundry facilities within the park.

PETS

Leashed pets may be walked on the Pa'rus Trail. However, pets are not permitted on any other trails, on shuttles, in public buildings, or in the backcountry. Pets must be under physical control on a leash less than six feet at all times. The interior temperature of a vehicle can quickly warm to dangerous levels. Avoid leaving animals in vehicles. Boarding kennels are available in Rockville, Kanab, Hurricane, St. George, and Cedar City.

Wildlife

Zion National Park is home to 68 species of mammals, 207 birds, 29 reptiles, six amphibians, and nine fish. Commonly seen animals include mule deer, lizards, and many species of birds. Rare or endangered species include the peregrine falcon, Mexican spotted owl, California condor, desert tortoise, and the Zion snail, found only in Zion National Park.

"The squirrel bit me in less than a second." Wild animals can hurt you. Do not feed them.

MOUNTAIN LIONS

Mountain lions are present in the park. Attacks are unlikely and have never been reported in the park. Please watch children closely and never let them run ahead or lag behind. More information is posted at trailheads. Please report any sightings or encounters to a park ranger as soon as possible.

DESERT BIGHORN SHEEP

Desert bighorn sheep are often seen on the east side of the park. Although they naturally shy away from people, some of these animals have grown accustomed to visitors in the park. Please do not approach or feed bighorn sheep.

RESPECT WILDLIFE

Please keep all animals wild and healthy by viewing them from a safe distance. Do not feed or touch wildlife. Store food and trash responsibly.

SICK OR INJURED ANIMALS

Be aware that wild animals can be unpredictable. Do not approach animals or attempt to move sick or injured wildlife. Please report any sick or injured animals to a park ranger.

Emergencies

For 24-hour emergency response, call 911 or 435 772-3322. The Zion Canyon Medical Clinic is located in Springdale near the south entrance to the park. For hours, please call 435 772-3226. Other medical clinics are located in Hurricane. The nearest hospitals are in St. George, Cedar City, and Kanab.

Flash Floods

All narrow canyons are potentially hazardous. Flash floods, often caused by storms miles away, are a real danger and can be life threatening. You are assuming a risk when entering a narrow canyon. Your safety is your responsibility.

Watch for indications of a possible flash flood. If you observe any of these signs, seek higher ground immediately:

- Any deterioration in weather conditions
- Build up of clouds or sounds of thunder
- Sudden changes in water clarity from clear to muddy
- Floating debris
- Rising water levels or stronger currents
- Increasing roar of water up canyon

During a flash flood, the water level rises within minutes or even seconds. A flash flood can rush down a canyon in a wall of water twelve feet high or more.

Safety

Whether hiking, climbing, or driving, your safety depends on your good judgment, adequate preparation, and constant awareness. Your safety is your responsibility.

STEEP CLIFFS
Falls from cliffs on trails have resulted in death. Loose sand or pebbles on stone are very slippery. Be careful of edges when using cameras or binoculars. Never throw or roll rocks because there may be hikers below.

- Stay on the trail.
- Stay back from cliff edges.
- Observe posted warnings.
- Please watch children.

WATER
The desert is an extreme environment. Carry enough water, one gallon per person per day, and drink it. Water is available at visitor centers, campgrounds, Zion Lodge, and some shuttle stops. Do not drink untreated water.

DRIVING
Zion’s roads are used by vehicles, bicycles, walkers, and even wildlife. Obey posted speed limits. Unless otherwise posted, the maximum speed limit is 35 mph.

Seat belts and child safety seats are required for all occupants in a vehicle and failure to use them is a primary offense in the park.

Don’t drink and drive. For your safety, rangers enforce laws against alcohol and drug-related driving offenses, including open container violations.

To protect the park’s vegetation, please park in designated or posted areas only.

HEAT EXHAUSTION
Heat exhaustion occurs when the body loses more fluid than is taken in. Signs of heat exhaustion include

nausea, vomiting, fatigue, headaches, pale appearance, stomach cramps, and cool clammy skin. If a member of your party begins to experience any of these symptoms, stop your hike immediately. Find a cool, shady area and rest with your feet up to distribute fluids throughout your body. It is important to drink fluids, but it is also important to eat. While suffering from heat exhaustion, drinking fluids without eating can lead to a potentially dangerous condition of low blood salt. If heat exhaustion symptoms persist for more than two hours, seek medical help.

HEAT STROKE
Heat stroke is an advanced stage of heat exhaustion. It is the body’s inability to cool itself. Symptoms include confusion, disorientation, behavioral changes, and seizures. If you believe that a member of your party is suffering from heat stroke, it is imperative to cool them using any available means and obtain immediate medical assistance.

HYPOTHERMIA
Hypothermia occurs when the body is cooled to dangerous levels. It is responsible for the

greatest number of deaths among people engaging in outdoor activities. Possible even in warm weather, it often occurs without the victim’s awareness. It is a hazard in narrow canyons because immersion in water is the quickest way to lose body heat.

To prevent hypothermia, avoid cotton clothing, it provides no insulation when wet, and eat high energy food before you are chilled. The signs of hypothermia include:

- Uncontrollable shivering
- Stumbling and poor coordination
- Fatigue and weakness
- Confusion or slurred speech

If you recognize any of these signs, stop hiking and immediately replace wet clothing with dry clothing. Warm the victim with your own body and a warm drink, and shelter the individual from breezes. A pre-warmed sleeping bag will also help prevent additional heat loss.

FIREARMS
Firearms are permitted in Zion National Park. As of February 22, 2010, a federal law allows

people who can legally possess firearms under federal, Utah, and local laws, to possess firearms in the park. It is the visitor’s responsibility to understand and comply with all applicable Utah, local, and federal firearms laws. Federal law prohibits firearms in certain facilities in Zion National Park; those places are posted with signs. If you have questions, please contact the park at 435 772-3256. The discharge of firearms and hunting within the park are prohibited. Utah State Law prohibits the open carry of loaded firearms on park shuttle buses.

Points of Interest

Access to the Pa’rus Trail and Watchman Trail.

ZION-MT. CARMEL HIGHWAY

This 10-mile scenic drive connects the South and East Entrances. From Zion Canyon, the road travels up steep switchbacks, through the historic Zion-Mt. Carmel Tunnel, and emerges on the east side of the park. For large vehicle restrictions, please read page 12.

KOLOB CANYONS ROAD

This five-mile scenic drive starts at the Kolob Canyons Visitor Center, climbs past the spectacular canyons and red rocks of the Kolob Canyons area of the park, and ends at the Timber Creek Overlook.

KOLOB TERRACE ROAD

This steep 20-mile scenic drive starts in the town of Virgin and climbs north from the desert washes into the aspen-covered plateaus of the higher elevations of the park and provides access to Lava Point. Not recommended for vehicles pulling trailers.

ZION HUMAN HISTORY MUSEUM

Indoor exhibits focus on the human history of Zion National Park. A 22-minute orientation film highlights the dramatic landscapes of the park and examines the history of the canyon. Rotating art exhibits feature regional artists. Visit the bookstore for maps, books, and gifts. There are dramatic views of the Towers of the Virgin and Bridge Mountain outside.

ZION CANYON VISITOR CENTER

Located near the South Entrance of the park, this is the place to begin your exploration of Zion Canyon. Park rangers and outdoor exhibits will help you plan your visit and make the most of your time. Inquire at the Zion Canyon Backcountry Desk about permits for backpacking, canyoneering, and other trips into the backcountry. Visit the bookstore for maps, books, and gifts. Outside the visitor center, you can walk along the Virgin River in the shadow of The Watchman to the south.

KOLOB CANYONS VISITOR CENTER

This is the entry point to the Kolob Canyons area of the park. It is located at Exit 40 on Interstate 15, 45 miles north of Springdale and 17 miles south of Cedar City. Park rangers are available to answer questions and issue backcountry permits. Exhibits explore the geology, vegetation, and wildlife of this unique landscape.

The Kolob Arch in the backcountry of the Kolob Canyons area of Zion National Park.

Recreation

CAMPING

Campgrounds in Zion Canyon have restrooms, drinking water, picnic tables, fire grates, and dump stations. All sites are half price for holders of Interagency Senior and Access Passes. There are no showers available within Zion National Park. Pay showers are available in Springdale and east of the park. The availability of these services varies throughout the year.

FIRES

When fire danger is high, all campfires may be prohibited. When permitted, fires are only allowed in fire grates in the campgrounds. Bring or buy firewood. Collecting any type of wood in the park is prohibited.

BICYCLING

Bicycles may travel on roadways and on the Pa’rus Trail. Bicycles are not allowed off roadways or in construction areas. When riding from the South Entrance, use the Pa’rus Trail instead of the main road. Shuttles cannot pass moving bicycles, please pull over and allow them to pass. Do not pass a moving bus. The rules of the road apply to bicycles. Please ride on the right side of the road in single file and wear your helmet. Each shuttle has a rack for at least two bicycles.

CLIMBING

The sandstone cliffs of Zion National Park are famous for big wall climbs. Zion is not a place for inexperienced climbers. Climbing in Zion requires appropriate hardware and advanced technical skills. There are few top roping areas and no sport climbs. Permits are not required for day climbs, but they are required for all overnight bivouacs. Climbing information and route descriptions are available at the Zion Canyon Backcountry Desk in the Zion Canyon Visitor Center.

Some areas and routes are closed each year to climbing from early March through August to protect nesting peregrine falcons. Some areas that are routinely closed to climbing include the Great White Throne, Cable Mountain, Court of the Patriarchs, and Angels Landing. Check at visitor centers or visit www.nps.gov/zion for current closure information.

Campgrounds			
	Sites	Fees	Reservations
Watchman Campground	183	\$16 per night \$18 per night for electric hookups \$20 per night for river sites	www.recreation.gov 877 444-6777 Up to six months in advance
South Campground	126	\$16 per night	First-come, first-served
Lava Point Campground no water; pit toilets	6	No fee	First-come, first-served
Group Campsites organized groups of 9 to 40 people	7	\$3 per person per night	www.recreation.gov 877 444-6777
Private campgrounds with showers and hookups are available outside the park. From late November to early March, South Campground is closed and Watchman Campground is first-come, first-served. The number of available campsites may vary throughout the year.			

HORSEBACK RIDING

Horses traditionally have been used to explore the terrain of Zion National Park. Guided trips are available starting at the corral at the Emerald Pools Trailhead. For private stock use, see the Backcountry Guide or inquire at visitor centers.

WATERCRAFT

All watercraft use in Zion National Park requires a backcountry permit. Permits are issued only when the river is flowing in excess of 140 cubic feet per second. Inner tubes are not permitted at any time on any watercourse in the park.

HIKING AND CANYONEERING

Hiking in canyons, even short hikes, requires advance planning. Some hikes involve walking in water. Rivers and washes are subject to flash flooding. Know the weather and flash flood potential forecasts before starting your trip. Daily forecasts are posted in park visitor centers. Many canyons require ropes, hardware, and advanced technical skills for rappelling and ascending.

BACKPACKING

Permits are required for all backcountry camping. There is a fee. Permits and hiking information are available at visitor centers. The maximum group size is 12 people. Please read the Backcountry Guide for more information.

BACKCOUNTRY PERMITS

Permits are required for overnight trips, through-hikes of The Narrows and its tributaries, The Subway and Left Fork, Kolob Creek, and all canyons requiring the use of technical equipment. Reservations are available online for many permits at www.nps.gov/zion. Permits must be obtained at the visitor centers before your trip.

Backcountry fees are based on the size of your group:

- \$10 for 1-2 people
- \$15 for 3-7 people
- \$20 for 8-12 people

The maximum group size is 12 people of the same affiliation on the same trail or in the same drainage on the same day. The limit for some canyons is six people.

THE NARROWS

The Virgin River has carved a spectacular gorge in the upper reaches of Zion Canyon—16 miles long, up to 2000-feet deep, and at times only 20 to 30-feet wide. The Narrows, with its soaring walls, sandstone grottos, natural springs, and hanging gardens can be an unforgettable experience. It is not, however, a trip to be underestimated. Hiking The Narrows means hiking in the Virgin River. At least 60 percent of the hike is spent wading, walking, and sometimes swimming in the river. There is no maintained trail because the route is the river. The current is swift, the water may be cold and deep, and the

rocks underfoot are slippery. Flash flooding and hypothermia are constant dangers. Good planning, proper equipment, and sound judgment are essential for a safe and successful trip. Your safety is your responsibility.

There are three ways to hike The Narrows, weather and water conditions permitting.

DAY HIKE FROM THE BOTTOM AND BACK

This round-trip hike can last up to eight hours and is the simplest way to experience The Narrows. Ride the shuttle to the Temple of Sinawava, walk one mile to the end of the paved Riverside Walk, and begin wading up the river. There is no formal destination and you must return the same way you entered. Many hikers try to reach the junction with Orderville Canyon, a tributary creek approximately two hours upstream from the paved trail. A permit is not required and group size limits do not apply. Travel upstream into Orderville Canyon or beyond Big Spring is prohibited.

DAY HIKE FROM TOP TO BOTTOM

This strenuous 16-mile all-day hike requires a permit and a private shuttle to the trailhead. Please see the Backcountry Guide or inquire at the Zion Canyon Backcountry Desk for more information.

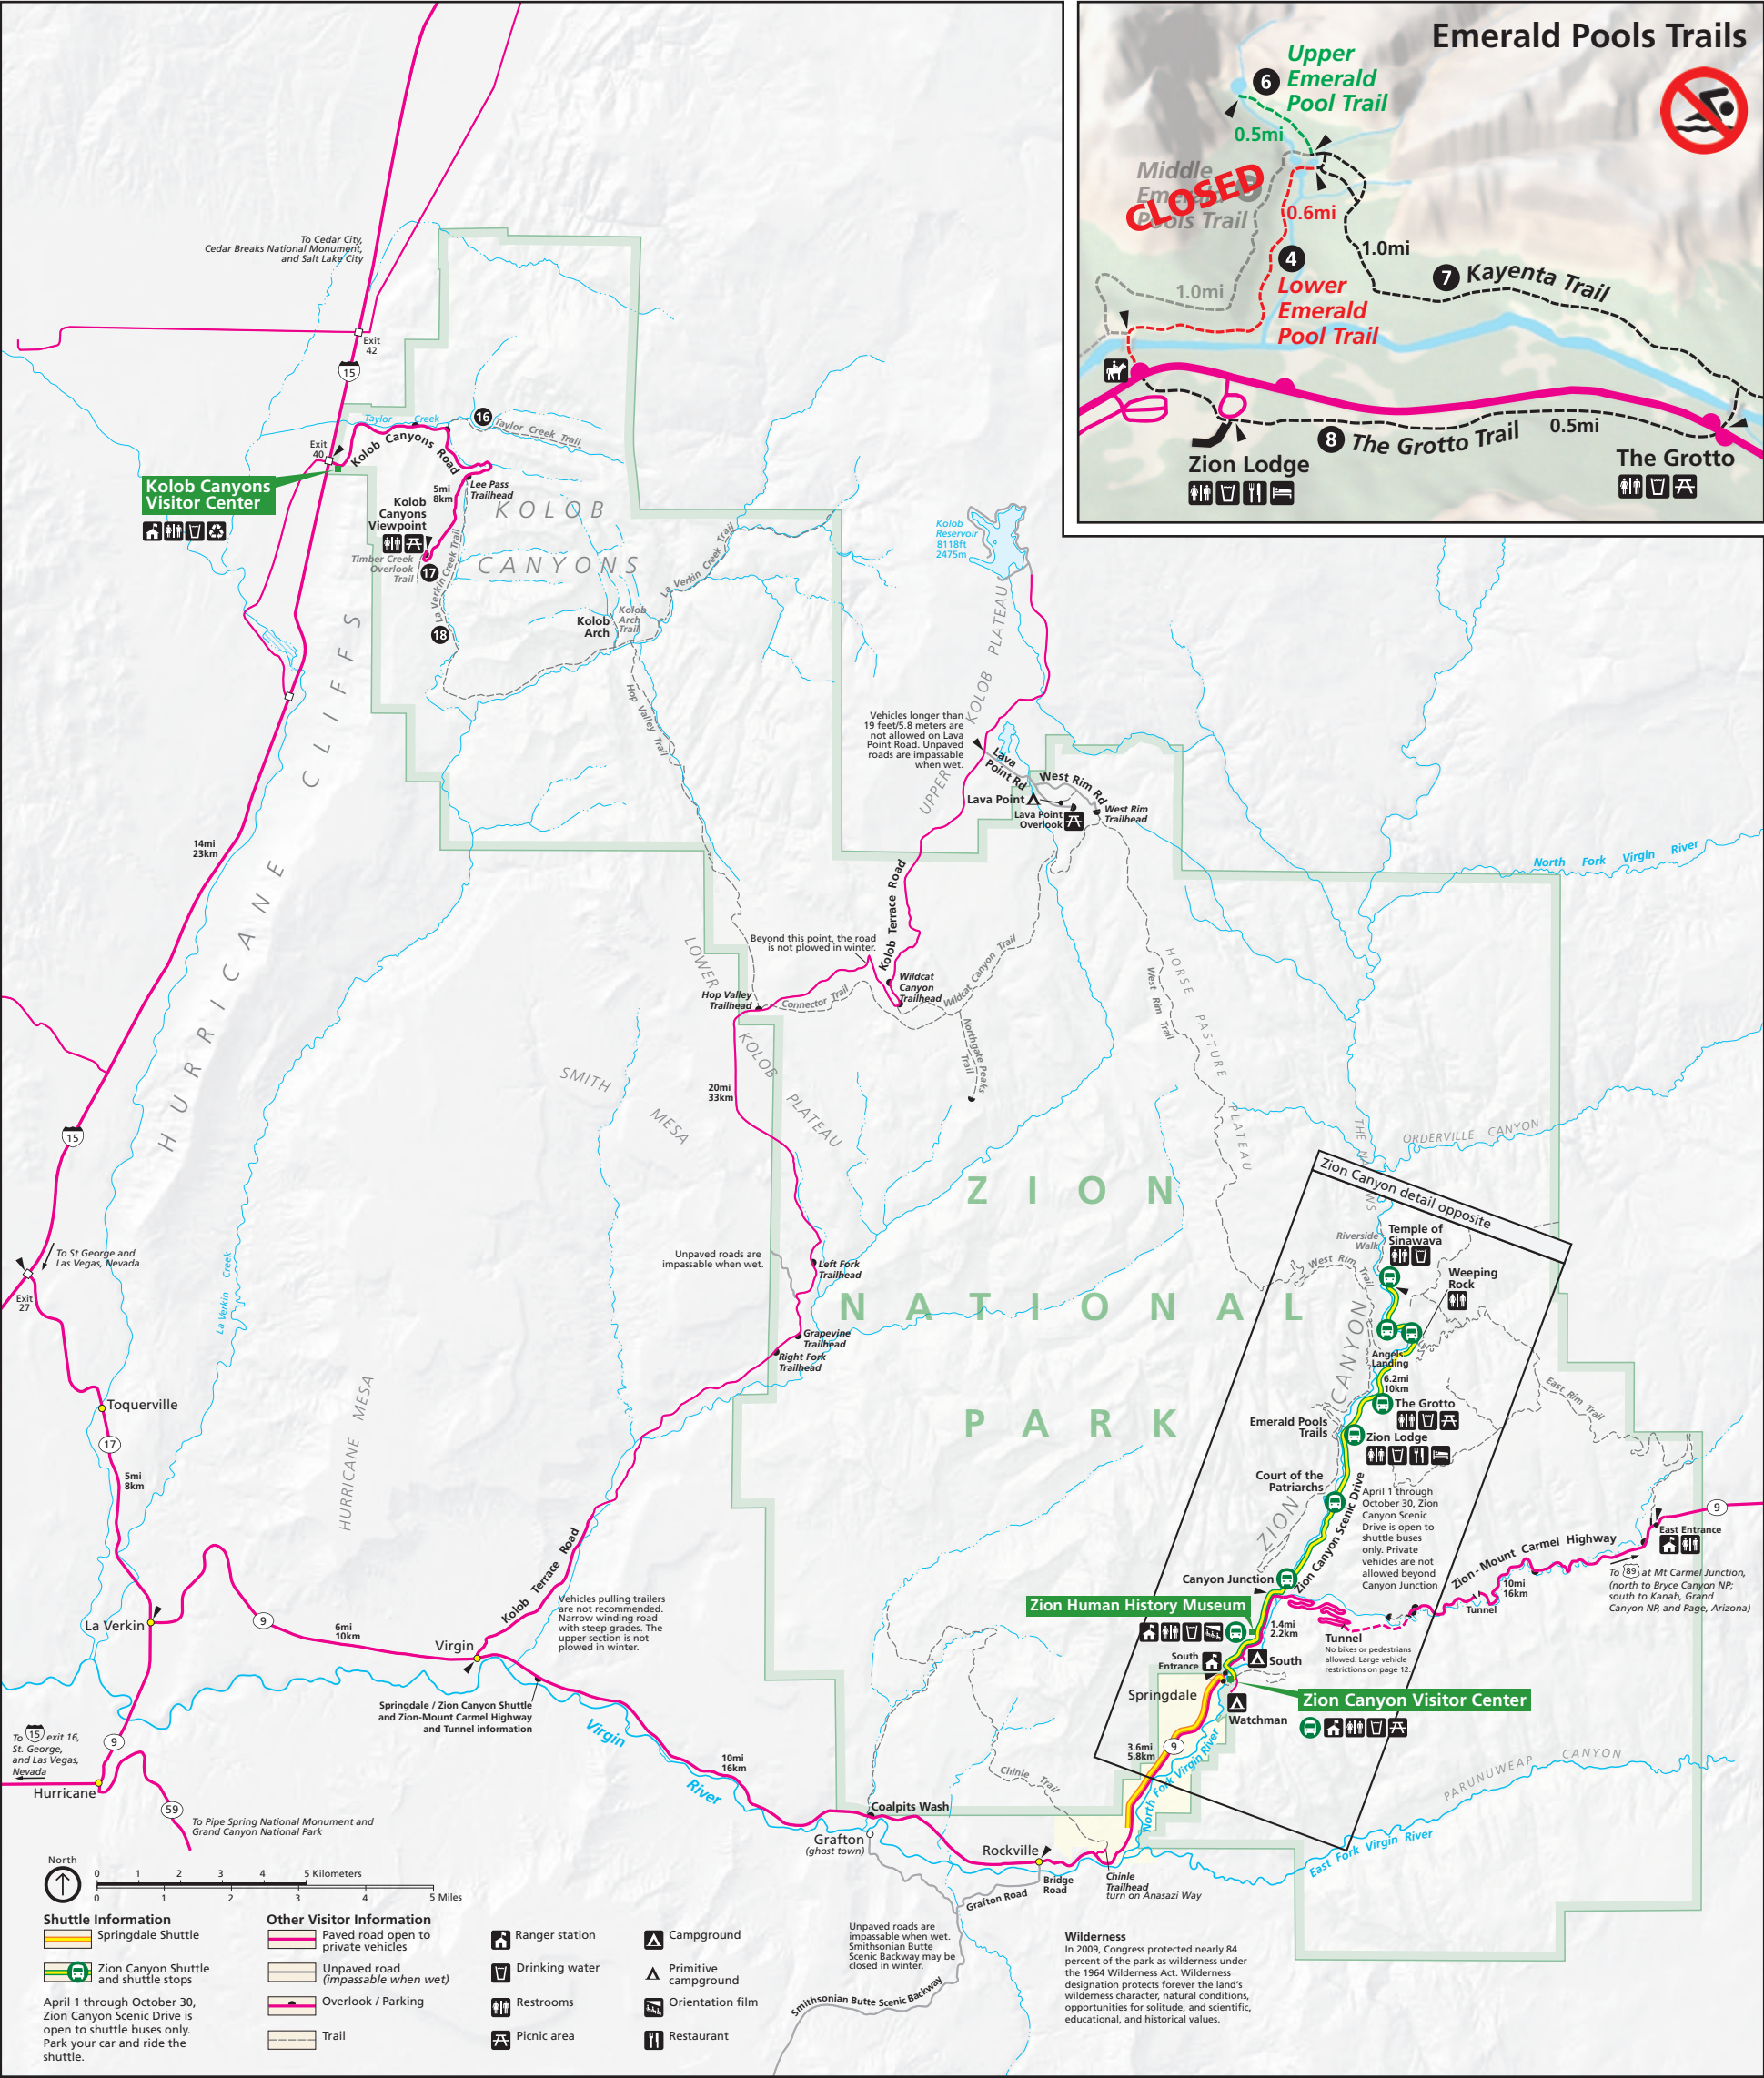

OVERNIGHT HIKE FROM TOP TO BOTTOM

This two-day hike requires a permit and a private shuttle to the trailhead. Maximum stay is one night. Please see the Backcountry Guide or inquire at the Zion Canyon Backcountry Desk for more information.

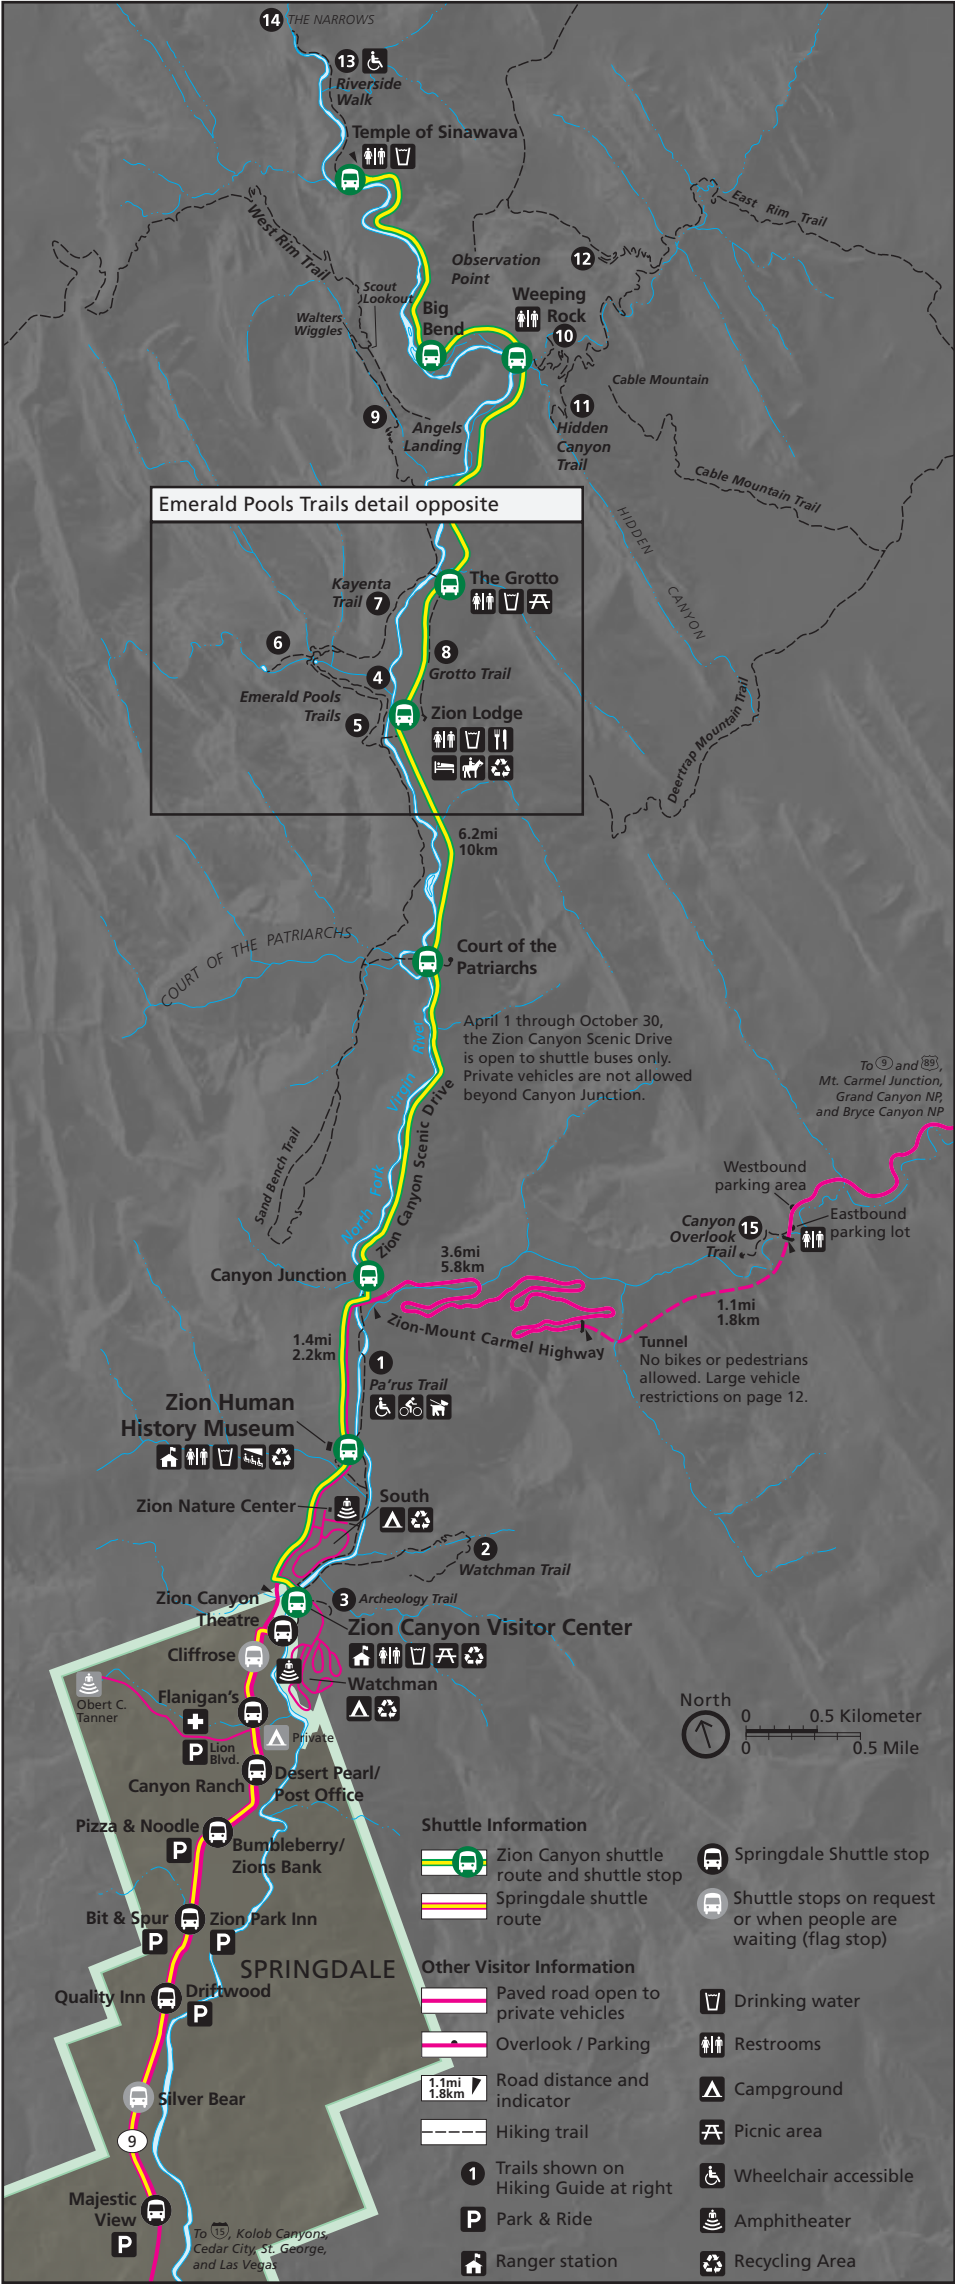

THE NARROWS CHECKLIST

- Obtain weather and flash flood potential forecasts before your trip.
- Wear closed-toe shoes or sturdy boots with ankle support, not sandals or water shoes.
- Take a walking stick. Do not cut tree branches for sticks.
- Children should not hike in the river due to strong currents and deep pools.
- Carry out all trash, including food wrappers, apple cores, fruit peels, and toilet paper.
- Carry one gallon of drinking water per person per day, food, sunglasses, sunscreen, and first aid kit.
- Take a fleece or windbreaker, The Narrows is much cooler than other areas in Zion Canyon.
- Pack your gear in waterproof bags.
- Use the restroom at the Riverside Walk trailhead before hiking. There are no toilets in The Narrows.

Program Locations

Programs also meet at various shuttle stops along the Zion Canyon Scenic Drive.

Weather

In summer, temperatures in Zion National Park often exceed 100°F/38°C. Higher elevations may have temperatures in excess of 90°F/32°C. Zion experiences a monsoon season from mid-July into September that results in an increased risk of flash floods. Visitors should always be aware of the threat of thunderstorms and lightning.

Always be prepared for a wide range of weather conditions. Temperatures in the park can vary dramatically with changes in elevation and the time of day. Day and night temperatures can differ by over 30°F/17°C. Consider dressing in layers to prepare for changes in temperature.

Temperatures at higher elevations of the park may be five to ten degrees cooler than Zion Canyon.

Environmental Impact

Zion National Park is much more than just a recreational destination. It is a sanctuary of natural and cultural resources.

Conserving this heritage is a task that the National Park Service cannot accomplish alone. All of us serve a critical role in maintaining Zion’s sanctuary for the future. Please respect your national park and the experiences of others.

Carry all of your trash out of the park, including toilet paper.

Please stay on marked trails. Hiking off trails can lead to loss of vegetation, soil compaction, erosion, and unsightly scars on the landscape.

Please park in designated parking spaces only. Fines can be as high as \$250.

It is illegal to remove anything from Zion National Park. Leave the flowers, rocks, and anything else that you might find for others to enjoy.

Feeding, harming, or capturing wild animals is illegal and can cause injury or death to the animal. Animals can become aggressive beggars when fed.

Soundscapes, or sound environments, are an important natural feature of the park. Be aware of the noise that you make, so that others may enjoy the peace and solitude of the park. Please travel quietly and limit the size of your group.

towers, Trombe wall heating, and a roof-mounted photovoltaic system reduce energy use by more than 70 percent and prevent the release of 181 tons of CO².

SOLAR POWER

Solar power provides clean energy for Zion National Park. In 2010, large photovoltaic systems were installed at the Kolob Canyons Visitor Center, the Emergency Operations Center, and Zion Headquarters. The park generates 25 percent of its power from renewable sources. Other solar arrays power two remote ranger cabins and three park entrance stations.

RECYCLING AND TRASH

Zion National Park works closely with the community to provide recycling for visitors. With help from visitors, Zion kept over 90,000 lbs of waste from the landfills in 2010. The recycling program provides disposal for glass, plastic, aluminum, paper, and most other excess material. Participate in recycling efforts by using the available recycling bins inside the park and in local communities.

WATER BOTTLE FILLING STATIONS

There are several water bottle filling stations located throughout the park. To reduce waste, the sale of disposable plastic water bottles is prohibited in Zion Canyon. Help with this initiative by bringing a reusable water bottle with you and using it after you leave. Water bottle filling stations are located at the Zion Canyon Visitor Center, Zion Human History Museum, Zion Lodge, and the Temple of Sinawava.

Volunteer

FRIDAYS AT 9:00 A.M.
Lend a hand and take an active role in preserving your national park. Visitors interested

in volunteering can gather every Friday at 9:00 a.m. at the Zion Canyon Visitor Center Shuttle Stop to assist with much needed tasks that keep the park clean and beautiful. Activities include litter removal, trail maintenance, and the management of invasive plants. All visitors are welcome. No registration is required for individuals. Groups larger than 10 people are required to register. Children must be joined by an adult. Please call 435 772-0184 for information.

ZION CANYON SHUTTLE SYSTEM

The shuttle system was created to reduce traffic congestion, parking conflicts, pollution, noise, and resource damage. Each full shuttle replaces 28 cars. The shuttles reduce the number of visitor vehicle miles traveled per day by over 50,000 and reduce CO² emissions by over 12 tons per day.

ZION CANYON VISITOR CENTER

The Zion Canyon Visitor Center is a sustainable building that incorporates the area’s natural features and energy-efficient building concepts into an attractive design, saving energy and operating expenses while protecting the environment. Natural lighting and ventilation, passive downdraft cooling

Zion Natural History Association

The Zion Natural History Association is a non-profit organization that began in 1929 to support education, research, publications, and other programs for the benefit of Zion National Park, Cedar Breaks National Monument, and Pipe Spring National Monument. Financial support by ZNHA members, combined with sales from our bookstores, provides parks with approximately \$600,000 in annual aid.

ZION CANYON FIELD INSTITUTE

The Zion Canyon Field Institute educates and inspires visitors about the greater Zion National Park ecosystem and environment. ZCFI is the educational division of the non-profit cooperating association Zion Natural History Association. These workshops take

place in and around Zion National Park, Cedar Breaks National Monument, and Pipe Spring National Monument.

OUTDOOR LEARNING ADVENTURES

Hike to a hanging garden where vibrant columbine grow next to scarlet monkey flowers. Relax while a geologist explains the wonders of Zion in a small group setting. Enjoy a discussion by the Virgin River about water issues in the West. Wade into The Narrows and plunge into a service project to keep it pristine. These are just a few of the experiences that you can enjoy during our workshops.

SERVICE PROJECTS

Participants have the opportunity to get a backstage view of Zion, learn intensively about a single subject, and contribute to a project that benefits the park.

PRIVATE WORKSHOPS

Our Custom Explore Zion program provides private workshops for small groups scheduled at your convenience.

REGISTRATION

Pick up the course schedule at any of the park's bookstores. To register for a course, please visit www.zionpark.org, call 435 772-3264 or 800 635-3959, or

stop by the Zion Canyon Visitor Center Bookstore. Fees for one-day workshops are \$45 to \$60 per day.

MEMBERSHIP

Become a member of ZNHA and enjoy benefits for yourself today, while you help Zion tomorrow. ZNHA supports the educational outreach and the Junior Ranger programs for youth, publishes books on Zion, contributes to park ranger-led programs, and provides free visitor information about the park.

Join us as a member and receive a twenty-percent discount on all purchases at ZNHA bookstores and many ZCFI workshops. Members also receive discounts at participating associations, our quarterly e-newsletter, and the bi-annual *Sojourns* publication. Most importantly, your membership helps ensure future educational and research activities in Zion National Park.

The average wait for a shuttle bus is fifteen minutes or less. The wait is usually shorter during peak hours. The summer shuttles run at thirty-minute intervals from 9:00 p.m. to 11:30 p.m.			

Large Vehicles

The Zion-Mt. Carmel Tunnel connects Zion Canyon to the east side of the park. It was built in the 1920s when large vehicles were less common. Vehicles 11'4" tall or taller, or 7'10" wide or wider, require one-lane traffic control through the tunnel. Because of the dimensions, large vehicles cannot travel in a single lane through the tunnel. Nearly all RVs, buses, trailers, fifth-wheels, dual-wheel trucks, campers, and boats require traffic control.

TUNNEL TRAFFIC CONTROL
Visitors requiring traffic control through the tunnel must pay a \$15 fee per vehicle in addition to the entrance fee. Pay this fee at the park entrance station before driving

The printing of this newspaper was made possible by the Zion Natural History Association.

Printed on recycled paper. Please recycle again.

ZION CANYON SHUTTLE
The Zion Canyon Scenic Drive is accessible by shuttle bus only from April 1 to October 30. The buses are accessible and also have room for backpacks, climbing gear, and at least two bicycles. Buses run throughout the day. The shuttles are free and you may get on and off as often as you like. Pets are not permitted.

SPRINGDALE SHUTTLE
In coordination with the Zion Canyon Shuttle, the Springdale Shuttle will pick up and drop off passengers in the town of Springdale. The closest stop to the Zion Canyon Visitor Center is located near the pedestrian entrance to the park.

PARKING
Parking areas in the park are usually full from 10:00 a.m. to 3:00 p.m. To avoid delays at the entrance station and limited available parking, park in Springdale and ride the free shuttle to the pedestrian entrance of the park.

Improper parking is unsafe, can damage park resources, and is discourteous to other visitors. Please park in designated parking spaces only. Parking regulations will be strictly enforced. Please park responsibly.

AUTOMOBILES
Travel in Zion Canyon from April 1 to October 30 is by shuttle bus only. Only the Zion Canyon Scenic Drive is closed to private vehicles. The Zion-Mt. Carmel Highway, Kolob Canyons Road, and Kolob Terrace Road are open to private vehicles.

OTHER VEHICLES
Other vehicles such as ATVs and OHVs are not permitted in Zion National Park.

If your vehicle is 11'4" (3.4 meters) tall or taller, or 7'10" (2.4 meters) wide or wider, including mirrors, awnings, and jacks, you will need one-lane traffic control through the tunnel.
